

Alborán Golf

is the newest golf course of Almería. Designed by the famous architect Ramón Espinosa, this 18 holes Par 72 Championship course has been the headquarters of the Mediterranean Games of Almería 2005.

Privileged located in front of the natural background of Cabo de Gata-Níjar, just five minutes away far from the international airport of Almería, and ten minutes from town center, Alborán Golf develops itself in a new town area that offers you different Hotel chances.

The course, located by the seaside, has got different attractions. A very soft street shaped, more than sixty bunkers, lakes and natural gullies that make a match in **Alborán Golf** a hold experience.
