

The Hotel Jardín Tecina is a relaxing refuge next to the sea. Its 434 comfortable rooms distributed in bungalows of great privacy, are complemented with a wide range of services so that you receive the highest degree of comfort during your stay. Its facilities are completed with 70,000 square meters of gardens, five different Restaurants, four Bars, one piano Bar and one Amphitheatre. Also it has five heated Swimming pools, five Tennis Courts, three of Paddle, two of Squash and the Health and Beauty Center "Club Baganvilla". In addition, we have the Beach Club "Club Laurel", a corner next to the sea with access through an elevator excavated in the cliff, which has a heated salt water Swimming pool, a Diving Club (P.A.D.I.), Minigolf, Barbecue Restaurant and an exclusive Á la carte Restaurant.

Tecina Golf is a spectacular 18 holes Golf Course (PAR 71), with uninterrupted views of the Teide and the Atlantic Ocean from each one of its holes. The well-known designer Donald Steel created this course in La Gomera, a true jewel for the lovers of this sport. To play in Tecina Golf is a pleasure for the senses, where the sea can be seen from any point of the course accompanied by exuberant gardens of native plants, a privilege that few golf courses can offer. Tecina Golf has a Golf School and all the services of a unique golf course.
