

The hotel is located in the exclusive area of Costa Adeje, with direct access to the beach of Fañabé, overlooking the marina of Puerto Colón and the island of La Gomera. The airport is situated only 17 km from the hotel. Situated amidst lush and magnificent gardens, are the two landscape swimming pools (one with freshwater and the other with heated saltwater) with a Jacuzzi and children's pool (sun-beds and towels for the swimming pool are provided free of charge).

The first thing that draws one's attention is the dome crowning the main hotel building. An impressive structure if observed from the inside is made of 12.000 multicoloured pieces of stained glass representing the constellations and stars over Tenerife on 21st March at 10 pm. Below the dome, are open spacious areas whose corners flourish with different art objects made of bronze, silver and gold.
