

Situated only 1,5 km from the city of Jerez, it can be considered a golf course next to the urban center. Of very easy access since it has its own exit from the motorway from Jerez to El Puerto Santa Maria (Motorway A-4).

Located only 5 minutes from the international airport of Jerez, 50 minutes from Seville airport and 1 hour of Malaga international, thanks to the new motorway from Jerez to Los Barrios.

The Clubhouse counts with more than 1,800 m2 designed under the Sherry flair, giving a warm atmosphere as the city of Jerez gives it to the visitors.

Its facilities include every single detail necessary of the sport and the celebrations of tournaments, like:

Pro shop, club storage room, locker rooms, restaurant, terrace grill, cafeteria, spike bar, lounges, golf academy, and many more.

The exceptional geographic location of Jerez and its singular surroundings make this area the perfect destination for the visitor. 3,200 hours of light per year, makes that to our coast it's called Costa de la Luz (Coast of light).

The city of Jerez, at only 1,5 km, offers to the visitor, not only the option of the obligatory visits to anyone of our famous sherry wine cellars, the Royal School of Equestrian Art, or the bull-fight arena...

Designed by Stirling & Martin (Global Company Golf), appears like an accessible course for amateurs and challenging for professionals. Proof of it are the many important tournaments we had the honor to host, like the Spanish Open Amateur Championship or the Seniors International Championship.

The layout is characterized for being one of the longest courses of Spain:

- 18 holes Championship course: 6572 meters, Par 72

- Pitch & Putt course: 911 meters, Par 3

Sherry Golf is within the new concepts of American golf course design: funny but safe in the game. With undulations and well placed hazards, without making it too hilly, in order to ensure a pleasant walkthrough. Wide fairways and ample greens, grant to **Sherry Golf** the category of luxury course.
