

The Hotel Vincci Selección Canela Golf 5 ***** is located in a typical Andalusian style building surrounded by orange groves, olive and eucalyptus trees. It is located in Isla Canela (Ayamonte), in a privileged location right in the middle of a 18-hole golf course, offering great views from all its rooms. Only 50 minutes away from Faro (Portugal) international airport, and 150 kms. from Seville, it is also very close to the beautiful beach of Isla Canela.

The 58 rooms are equipped with separate bath and shower, anti-vaho mirrow, hair dryer, bathrobe and bath shoes, four pillows, direct telephone, internet conection, satellite TV with more than 20 channels including a golf channel, mini-bar and safe. All rooms have wonderful views of the golf course. Rooms with terrace and non-smoking rooms are

"A reachable caprice for your senses "

Among its facilities you will find outdoor swimming pool, private parking, bar-cafeteria with terrace, golf clubs storage, sauna, turkish bath, jacuzzi, fitness center, two meeting rooms with the most modern equipment and capacity for 25 and 40 persons.

The hotel also offers laundry service, room service and massage lounge. It completes its facilities with paddel courses (free use for hotel guests) and a transfer service to & from the beach in the summer season.

The hotel has one à la carte restaurant with terrace offering "nouvelle cuisine" and traditional gastronomy. Its proximity to both the mountains and the sea allows us to have the best products during all year.

Its proximity to the coast and to the mouth of the Guadiana river, together with its vegetation, make the Isla Canela Golf Club an incomparable course to make the most of your golf. It has an average length of 5,937 meters from the yellow tees and is a very versatile course with wide fairways moulded by the natural dunes and the spectacular lakes. The vegetation and, more specifically, the trees, make the course difficult at times as there are orange, olive and eucalyptus trees placed in strategic spots around the course, as well as numerous palm trees.
