

Baviera Golf

BAVIERA GOLF, located on the spurs of Sierra de la Almijara (East of Málaga), lies on a valley boasting an ideal microclimate for the practice of golf.

The Golf Club is just 500 meters away from Caleta de Vélez, with its Marina and magnificent beaches, which are among the best on the Costa del Sol.

Málaga Airport being just 30 minutes from the Club and a direct exit (nº 274) from the Málaga-Granada-Almería motorway, makes it convenient for our guests to get to the Club. Moreover, it will only take you 45 minutes from **BAVIERA GOLF** to drive to Sierra Nevada, a wonderful place to practice winter sports.

BAVIERA GOLF has been developed under the consultancy of Jose María Cañizares, the prestigious international professional golf player (winner of five tournaments of the European Round, two World Championships, and four times member of the European Ryder Cup team).

BAVIERA GOLF is a flat course with broad greens requiring a variety of movements, a wide range of obstacles allowing a large variety of strokes, and an ideal design for any handicap. Its varied holes, contrasting landscapes, and magnificent views of the Mediterranean Sea, make **BAVIERA GOLF** the ideal place to spend a perfect unforgettable day.
