

Rio Real is located in one of the most privileged tourism destinations in the world in the heart of the Costa del Sol in southern Spain. It is situated only 3 km from the heart of Marbella, a city known worldwide for its excellency in shopping, restaurants and leisure activities and only 30 minutes from Malaga International Airport.

Rio Real Golf Course opened in 1965. Spreading over a beautiful valley, the course is set in splendid surroundings on gently undulating terrain, softly sloping toward the Mediterranean. A subtropical climate even during the winter months offers the perfect conditions to play golf year-round. *It is one of the top three (3) courses in Costa del Sol.*

The Hotel is at the heart of the Rio Real Golf course which stretches from the mountains of Sierra Bermeja to the Mediterranean sea. Its limited number of bedrooms and suites allows us to provide the most exclusive services and the highest standards of personalized attention. *It's the small details which make the difference.*

With 30 luxurious rooms, the concept of Haute Couture service in the Rio Real Golf Hotel revolutionizes what is on offer in the hotel world. Links at Rio Real, like the rest of the Hotel, are bright, sunny, yet relaxing, and with floor to ceiling windows.
