Unique waters; The waters of the **Thermal Spa del Font Santa Hotel** are different from any other spa in the Balearic Islands, so much so that they are the only thermal waters with subterranean origin on the island. Emerge from underground and as they rise in shallow aquifers they acquire mineral elements in a form that would be almost impossible to reproduce artificially. These rich minerals stimulate a series of positive effects on the body (skin improvement, improve blood and lymphatic circulation, etc) and because of this they have been declared for public use since 1869.

Activities: Nautica. Windsurf. Scuba Diving. Birdwatching. Cycling. Paddle. Hiking. Horse Riding. **Golf;** Some of the best golf courses on the island are near the hotel. Golf Majoris and Golf Son Antem Oeste are situated in the nearby district of Lluçmajor, which is about 15 kilometers from the Font Santa dEs Trenc Hotel.
