

Enjoying - Savouring life - Living it intensely

These are the pleasures that we wish to offer you during your stay at our boutique hotel in Puerto Pollensa (Mallorca) – a concept that we’ve re-styled for our “seaside hotel”. The Mediterranean’s structured into our DNA: it’s what inspires us and marks the essence of what we are, through our way of living and feeling, our sense of hospitality, and our way of looking after our visitors.

There are times when one needs to sit quietly, breathing in the sea air and enjoying life, not even thinking of looking at the time. We come from a tradition where people would take you into their homes and offer you whatever they had, expecting nothing in return except the knowledge that you were going to feel good.

Today **La Goleta - Hotel de Mar** is a reality: a boutique hotel in Mallorca, close to the beach and beside the sea, that will take you back to a time when there was no limit to what one could imagine and do. We believe that, of all the boutique hotels in Mallorca, this one will make you feel most at home.
