

The Don Juan Hotel opened in 2004. It is a four stars hotel equipped with the most modern installations. It has different halls and rooms prepared for all kinds of celebrations, events, congresses and else, apart from a wide range of services. In all aspects, Don Juan Hotel makes of comfort and elegance its identification marks.

It is located in front of the sea in the city of Aguilas in Murcia, a privileged place in the Warm Coast of Murcia. Great part of its rooms offer beautiful views of the Mediterranean Sea, which creates a natural atmosphere full of charm. In this way, Hotel Don Juan becomes the perfect place for all types of trips and guarantees a pleasant staying with wonderful comforts.

The Hotel has Double, Single rooms, Royal, Presidential, 1, 2 and 3 Bedroom Suites equipped with complete bathrooms with hairdresser and magnifying mirror. Safe box. Air Conditioning/heating, satellite TV, direct telephone, ADSL connection to Internet. Mini bar.

The best place to enjoy an excellent cooking, always elaborated with fresh ingredients, carefully chosen. This service of Mediterranean and International cooking offers recipes that are innovative and traditional, that will be delightful for anyone who tastes them. Anyone who visits the Buffet Restaurant everyday will find a great variety of dishes and perhaps see the cooking of some dishes live thanks to our cooking show.

The **SPA** offers us the possibility of continuing enjoying of all the benefits of water through luxurious facilities and professional and personalized attention. The Center, located in the 6th floor of **Hotel Don Juan**, has 1000m2 and provides a harmonious space to its customers where it is possible to take care of the body and the mind.

The healthy properties of water for people and the benefits of its application as the fundament of different healing as well as prevention treatments are known since the Ancient times.

The **MINICLUB** is equipped with computers and Internet connection, Videogames, Playground for the little ones. The Cyber-Center MiniClub offers the possibility of connecting to Internet and can also be used by the children as a playground.
